## NOTICE

### **Subject: Use of Authorized Parking Zones on Campus**

It has been observed that personal and official vehicles, including motorcycles, are often parked randomly in various areas of the Green University of Bangladesh (GUB) campus. This practice not only hampers the overall campus environment but also causes inconvenience to movement and campus aesthetics.

In order to maintain discipline and ensure a clean, organized, and environment-friendly campus, **all members of the GUB community (faculty, staff, students, and visitors) are hereby instructed to park their vehicles strictly in the designated and authorized parking zones.**

#### **Important Guidelines:**

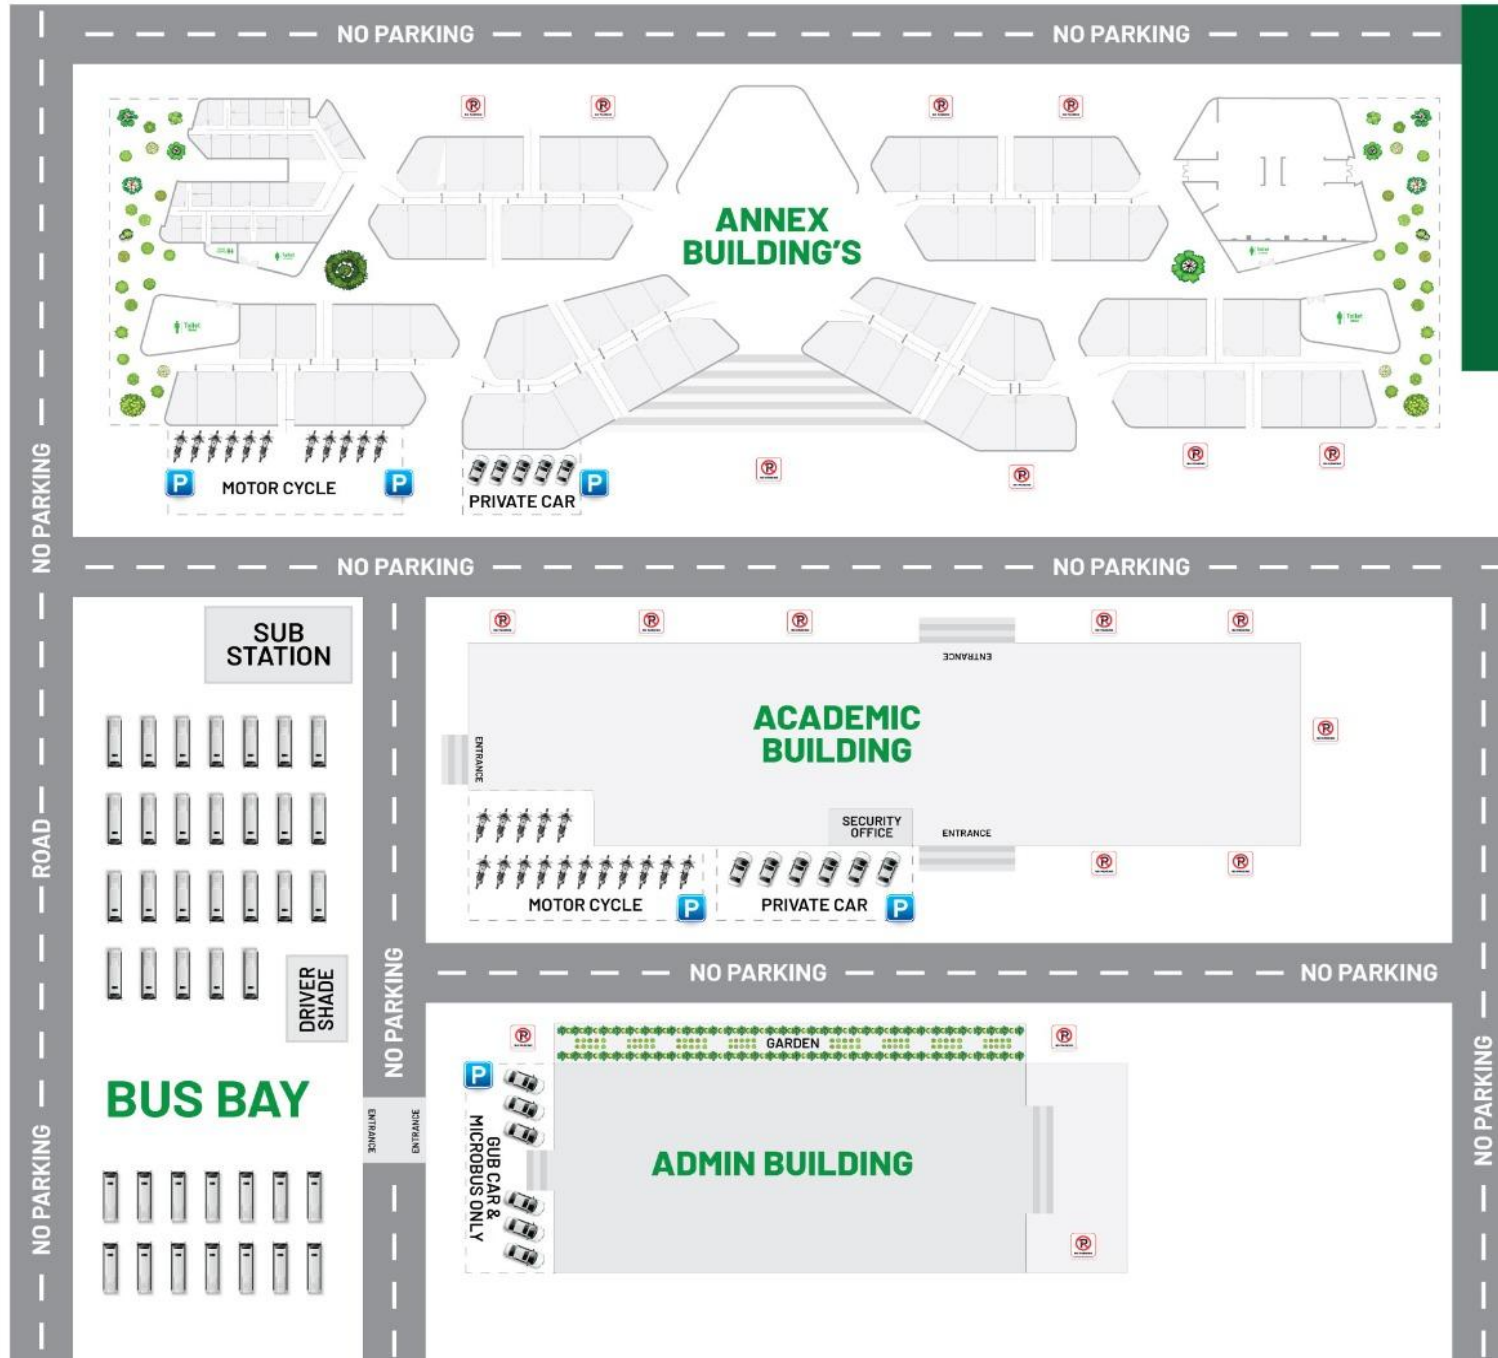

- **No vehicle or motorcycle - official or personal - shall be parked outside the marked parking areas.**
- **The authorized parking zones have been demarcated and signposted for easy identification.**
- **Security personnel & Student associates have been instructed to monitor compliance and report any violations.**

We seek your kind cooperation in maintaining an organized and green campus environment.

For any queries or assistance, please contact the GUB Admin Office (Senior Officer Admin & Security) or the Campus Security Office (Security supervisor)
