## Department of Computer Science & Engineering

### Notice Regarding BAC Accreditation Visit of the CSE department

Dear Students,

The Department of Computer Science and Engineering (CSE) is pleased to inform you that the department has applied for BAC Accreditation, and the BAC Evaluation Team will visit the University from 14 June 2026 to 16 June 2026 as part of the accreditation process.

In this regard, all students are kindly requested to maintain a professional appearance during the visit period by attending classes in proper attire and carrying their University ID cards at all times while on campus.

As the accreditation process is of great importance to both the Department and its students, your cooperation, discipline, and active participation are highly appreciated.

We look forward to your support in making the BAC visit a successful one.

Thank you for your cooperation.
