

WE'RE HIRING!

JOIN OUR TEAM

The Government of the People's Republic of Bangladesh, in collaboration with the World Bank-funded **Higher Education Acceleration and Transformation (HEAT) project**, managed by the University Grants Commission (UGC), invites applications from permanent citizens of Bangladesh for the following contractual positions for the duration of the project. These positions are part of the project titled "**BDResNET: A Comprehensive Research Collaboration Network for Bangladeshi Researchers utilizing Large Language Models and Graph Neural Networks for Automatic Researcher Profiling, Recommendation, and Ranking**". Interested CSE/ICT graduates are encouraged to submit their applications by **October 25, 2025**.

Position	No of Vacancy (months)	Requirements
Natural Language Processing (NLP) Specialist	01 (12 Months)	<ul style="list-style-type: none"> Bachelor or higher degree in Computer Science and Engineering(CSE), or relevant fields Minimum of 2 years of proven experience in NLP or equivalent projects or research Experience with LLMs, vector databases, or Retrieval-Augmented Generation (RAG) or others
Senior Software Developer	01 (24 Months)	<ul style="list-style-type: none"> Bachelor or higher degree in CSE, or relevant fields Minimum of 3 years of professional software development experience Proficient in Python, Node.js, Django, FastAPI, and Express.js Strong command of PostgreSQL, MongoDB, and MySQL Skilled in building RESTful APIs and implementing JWT/OAuth2 authentication Experience with Azure/AWS/GCP model deployment
Full Stack Software Developer	01 (30 Months)	<ul style="list-style-type: none"> Bachelor or higher degree in CSE, or relevant fields Minimum 2 years of professional software development experience Proficient in frontend frameworks/libraries (Vue.js, React, Angular) Strong backend development skills (Python, Node.js, Java, Ruby, etc.) Experience with databases (SQL and/or NoSQL) and RESTful APIs Understanding of deployment and cloud platforms (Azure/AWS/GCP etc.)
System Analyst	01 (6 Months)	<ul style="list-style-type: none"> Bachelor or higher degree in CSE, or relevant fields Minimum of 2 years of experience as a System Analyst or similar role Ability to understand AI and NLP project requirements and translate them into technical specifications Strong understanding of software development lifecycle (SDLC) and system design principles Good knowledge of requirement gathering, documentation, and workflow modeling tools (e.g., UML, flowcharts)
Research Assistant	01 (18 Months)	<ul style="list-style-type: none"> Bachelor or higher degree in CSE, or relevant fields Good understanding of Python programming and basic data analysis (e.g., using Pandas, NumPy) Knowledge of Natural Language Processing (NLP) concepts Experience with Large Language Models (LLMs) and deep learning

Application Deadline: October 25, 2025, Saturday

Viva for shortlisted candidates: October 29, 2025, Wednesday

How to Apply: Please send your CV with a cover letter and certificates to spm.pin13761@green.edu.bd
