Course Offering for Diploma–Weekend Program

This is to inform all concerned students that the course offerings for the Diploma–Weekend Program under the Computer Science and Engineering (CSE) department will continue up to the **Summer 2026 semester**. No new course offerings will be available in this program in any subsequent semesters.

Students who are unable to complete any course within the scheduled offering period, or who have any gaps in their course completion, will be required to complete their remaining courses by enrolling in the **regular program courses** from the following semester.

This decision has been made as per the discussion held in the central meeting on **04 March 2026**, chaired by the Honorable Pro-Vice Chancellor, Prof. Dr. Khawza Iftekhar Uddin Ahmed.

All students are advised to plan their course completion accordingly.
